

Engineering a Cathedral

Michael Jackson

About the Book

Engineering a Cathedral offers professional engineers, architects and interested lay people a unique opportunity to study the construction of one of the world's finest buildings. Durham cathedral celebrates its 900th anniversary in 1993 and to mark the event a group of engineers have applied their modern knowledge and techniques to its structure.

With over 80 illustrations, *Engineering a Cathedral* is not only relevant to Durham, it is relevant to all other medieval buildings, those who care for them and those who simply stand and wonder.
