

ICE Dispute Resolution Procedures

Institute of Civil Engineers (corporate)

About the Book

ICE Dispute Resolution Procedures combines in one volume the up-to-date Adjudication Procedure, Arbitration Procedure, Conciliation/Mediation Procedure and Dispute Board Procedure from the Institution of Civil Engineers.

The procedures can be used with almost all forms of contract, are applicable throughout the construction industry, and allow for prompt resolution regardless of the size or nature of the dispute. Representing essential knowledge for all those involved in the UK construction industry as well as arbitrators, adjudicators, conciliators, mediators, and dispute board members, the definitive *ICE Dispute Resolution Procedures* are a vital addition to the library of every engineer and construction law professional.
