

## International Marketing and Purchasing From Marketing-mix to Relationships and Networks

Advances in International Marketing

S. Tamer Cavusgil  
Pervez N. Ghauri

### About the Book

The collection of papers presented in this volume are the results of research undertaken by a group of scholars examining the field of international marketing and purchasing (IMP). This group of researchers has been conducting IMP studies over the past two decades in a multi-country setting. This book is a good overview of marketing as a discipline and provides insightful writing on the latest developments. The book can be used as supplementary text in courses as Business-to-Business Marketing, International Marketing and Marketing theory.
