

## Current Perspectives in Social Theory

Current Perspectives in Social Theory

Jennifer M. Lehmann  
Ben Agger

### About the Book

"Current Perspectives in Social Theory" presents essays on the major issues in contemporary theoretical work in sociology, providing both a critical overview of the development of major debates and original formulations by specialists working in various fields. Emphasis is put upon the presentation of new developments in special areas. Intended to cover the discipline as a whole, "Current Perspectives in Social Theory" seeks to maintain a balance between the general and the particular by dividing each volume into two parts, the first consisting of field statements by recognized academics in major areas of sociology, the second consisting of pieces focused on more detailed theoretical issues.
