

European Monetary Union Banking Issues Historical and Contemporary Perspectives

Research in International Business and Finance

H. Peter Gray
Irene Finel-Honigman

About the Book

The EMU and the Euro are transforming European banking institutions, regulations, performance, and bank-state relationships. This book analyzes these dynamic challenges and processes. It presents contemporary and historical perspectives to guide an informed understanding of European banks, banking culture, and the role of the banking sector in the EMU's new financial and competitive environment.
