

A. C. Littleton's Final Thoughts on Accounting

A Collection of Unpublished Essays

Studies in the Development of Accounting Thought

Martin E. Persson

About the Book

Volume 20 of Studies in the Development of Accounting Thought (SDAT) is another fine example of informative and reflective analysis in the series. SDAT again provides readers with the firm historical foundations on which the profession is based, the historical antecedents of today's accounting institutions, the historical impact of accounting, as well as exploring the lives and works of pre-eminent individuals in the profession's history.

Studies in the Development of Accounting Thought focuses on bringing the past into today and using it to point towards the future.
